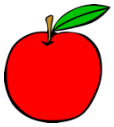
Welcome to First Grade!



Dear Parents and Guardians,

I am excited to be your child's first grade teacher! This is my second year of teaching first grade at ACS. I have a Bachelor of Science degree majoring in Elementary and Early Childhood Education from Anderson University.

My husband and I are originally from Texas. We moved to Anderson in 2007. We have three children, two girls and one boy. We love Anderson and are happy to call it our home.

This year we will be learning by leaps and bounds! I enjoy seeing the academic growth of the students throughout the year. Our primary focus will be working with phonics and numbers to set a solid foundation. We will also learn about writing and how to tell stories.

I feel blessed to be a part of your child's academic and spiritual development. I am looking forward to an amazing school year!

Sincerely,

Jennifer Sugden
First Grade Teacher
